

## Benefit Summary Outpatient Prescription Drug

### Florida Fire Fighters Insurance Trust Pharmacy Plan

*This document is provided as a sample and does not reflect actual benefits. A customized Benefit Summary will be created during implementation of the business.*

Your Copayment and/or Coinsurance is determined by the tier to which the Prescription Drug List Management Committee has assigned the Prescription Drug. All Prescription Drugs on the Prescription Drug List are assigned to Tier-1, Tier-2 or Tier-3. Find individualized information on your benefit coverage, determine tier status, check the status of claims and search for network pharmacies by logging on to [www.myuhc.com](http://www.myuhc.com)® or calling Customer Care at the telephone number on the back of your ID card.

A deductible and out-of-pocket maximum may apply. Please refer to the medical plan documents for the annual deductible and out-of-pocket maximum amounts, which include both medical and pharmacy expenses. This means that you will pay the full amount we have contracted with the pharmacy to charge for your prescriptions (not just your copayment), until you have satisfied the deductible. Once the deductible is satisfied, your prescriptions will be subject to the copayments outlined below. If you reach the Out-of-Pocket maximum, you will not be required to pay a copayment.

This summary of Benefits is intended only to highlight your Benefits for Prescription Drugs and should not be relied upon to determine coverage. Your plan may not cover all of your Prescription Drug expenses. Please refer to the Prescription Drug section of the Summary Plan Description (SPD) for a complete listing of services, limitations, exclusions and a description of all the terms and conditions of coverage. If this description conflicts in any way with the Prescription Drug section of the SPD, the Prescription Drug section of SPD shall prevail.

An Ancillary Charge may apply when a covered Prescription Drug is dispensed at your [or your provider's] request and there is another drug that is chemically the same available at a lower tier. When you choose the higher tiered drug of the two, you will pay the difference between the higher tiered drug and the lower tiered drug in addition to your Copayment and/or Coinsurance that applies to the lower tier drug.

Note: If you purchase a Prescription Drug from a Non-Network Pharmacy, you are responsible for any difference between what the Non-Network Pharmacy charges and the amount we would have paid for the same Prescription Drug dispensed by a Network Pharmacy.

## Other Important Information about your Outpatient Prescription Drug Benefits

You are responsible for paying the lower of the applicable Copayment and/or Coinsurance or the retail Network Pharmacy's Usual and Customary Charge, or the lower of the applicable Copayment and/or Coinsurance or the mail order Network Pharmacy's Prescription Drug Cost.

For a single Copayment and/or Coinsurance, you may receive a Prescription Drug up to the stated supply limit. Some Prescription Drugs are subject to additional supply limits.

Some Prescription Drug or Pharmaceutical Products for which Benefits are described under the Prescription Drug section of the Summary Plan Description (SPD) are subject to step therapy requirements. This means that in order to receive Benefits for such Prescription Drug or Pharmaceutical Products you are required to use a different Prescription Drug(s) or Pharmaceutical Product(s) first.

Also note that some Prescription Drugs require that you notify us in advance to determine whether the Prescription Drug meets the definition of a Covered Health Service and is not Experimental, Investigational or Unproven.

You may be required to fill an initial Prescription Drug Product order and obtain one refill through a retail pharmacy prior to using a mail order Network Pharmacy.

Benefits are available for refills of Prescription Drug Products only when dispensed as ordered by a duly licensed health care provider and only after 3/4 of the original Prescription Drug Product has been used.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy, you may opt-out of the Maintenance Medication Program each year through the Internet at [myuhc.com](http://myuhc.com) or by calling Customer Care at the telephone number on your ID card.
